To Whom It May Concern:

Moore Industries are pleased to announce that **Precision Controls** have been appointed as the Exclusive Distributor for Moore Industries Signal Interface range of products within the General Industries of Malaysia.

With the company structure available from **Precision Controls**, we at Moore Industries are confident that you will be supported both prior to and after the sale, with a strong technical team backed up with our own expertise from Australia and the USA factory.

Please do not hesitate to contact **Precision Controls** for any of your Moore Industries requirements.

Yours Sincerely,
Moore Industries-Pacific, Inc
